The *Easiest Way* for Parents to Pay.

Vanco Fee Management PowerSchool Plugin

Vanco's Fee Management PowerSchool Plugin allows parents to make assigned fee payments right from their PowerSchool account, with no external links or logins to remember. Time is the rarest commodity for parents and staff. With the Vanco Fee Management PowerSchool Plugin, everyone saves time. Parents can make payments in the PowerSchool platform they're already familiar with, and staff don't have to re-train families on using a new tool.

- Parents login and pay for assigned fees (required and optional) directly within PowerSchool.
- The Vanco Fee Management PowerSchool Plugin makes it simple to ensure on-time and easily trackable payments are made within the online experience parents are comfortable with.

Enjoy faster payment capture!

Make payments on our secure PCI level 1 compliant platform.

Easily track fees paid, and balances due, with consolidated reporting.
