

A Premium Partnership: Vanco Education & PowerSchool

Vanco Education and PowerSchool: We're the gold standard for collecting school payments online. In fact, Vanco is a PowerSchool Premium Partner. That means we integrate in the most important ways to make work and payments easy for both staff and parents.

Vanco Education's integration with PowerSchool provides convenience for parents and makes finance work faster and easier for school staff.

Vanco offers PowerSchool districts:

Parents can add funds to food service accounts and pay fees all from within PowerSchool or Vanco's Revtrak Web Store.

Our real-time API integration and Single Sign-On feature streamlines all your processes for staff members and parents.

Reconciliation is a breeze – identify missed payments and ensure payments post correctly to student accounts.

Mobile friendly technology. Parents don't have to download an app to use PowerSchool and Vanco together. They simply use the Web Store site on their mobile browser.

Parents can view all student fees and food charges, so they can check out in a snap.
